Request your Number Card

Each dancer gets their own special number card upon request.

Open Platform

Digital Feis runs on an open platform, and supports independent and open dancers from every organization.

The Basics

Digital Feis is a video feis system. Record your dancing at home or your studio, send in your entries, and get feedback via email. You even get your medals sent to you in the mail! \$10 per dance with medals, \$8 per dance without.

2 Ways to Advance

Rank, like usual...

1st Place: Beginner, Primary & Novice dancers need 7 dancers in a competition to advance with a 1st Place.

2nd Place: Beginner, Primary & Novice dancers need 10 dancers in a competition to advance with a 2nd Place.

3rd Place: Beginner, Primary & Novice dancers need 15 dancers in a competition to advance with a third place.

Prizewinner dancers must earn a 1st Place in the following dances in order to advance to Champion, which needs at least 7 dancers in them: 2 soft shoe dances of contrasting rhythms, 2 hardshoe dances, and 1 traditional set.

or individual score.

Beginner, Primary & Novice dancers must earn a score of **80** in a dance for that dance to advance.

Prizewinner dancers must earn a score of 80 in two soft shoe dances of contrasting rhythms, two hardshoe dances, and one traditional set in order to advance to Championship.

Champion dancers demonstrate Mastery by achieving an average score of 90 or higher in 6 dances; one traditional set and one contemporary set are required.

Scoresheets

Scores that make sense. Clear explanations of the scores, a dancer's strengths, and suggestions for improvements from every feis.
